United Church
Spring Clean Up
Friday April 30th, 2021
1:00 pm to 3:00 pm**

Calling all volunteers, voluntolds, supervisors, cheerleaders and observers!

Please join us for a few hours on Friday April 30th to clean up the lawn, tree and flower beds.

The lawn will be aerated and power raked in the morning and with your help in the afternoon we will gather the thatch up for composting. We will also clean up the flower beds, wash the windows and pick up any garbage on the property.

Our Church will be open for bathroom breaks but we ask that no more than eight people be in the church at a time and that you wear a mask and use the hand sanitizers.

Due to the high risk of Covid variant transmission, medical experts are also recommending wearing a mask when working outside especially if social distancing is difficult. By wearing a mask, you have the added advantage of protection against spring allergens. Raking the thatch will stir up the dust- a mask will help protect you.

Disposable masks, cloth masks and hand sanitizers will be available for your use.

Please bring a rake and window washing equipment if you have it. Everyone is welcome even if you want to stay in your car and just say hello.

There has been a kind offer of a going home package for you and so we would like to know if you are coming.

Please RVSP to Chris and Mary Ellen.
